

Meadville Medical Center chooses Capitol Consulting, LLC to assist in journey towards clarity in productivity, management development and performance improvement.

Chicago, Illinois, June 15th 2011 – Meadville Medical Center, Meadville PA, has chosen Capitol Consulting, LLC to guide them through the Performance Improvement Process while installing The OPTIX Reporting System throughout the hospital. “This is a great opportunity to work with tremendous group of managers in a wonderful community and set them on a clear path towards efficient staffing and quality excellence”, David J. LeClercq, Managing Partner, Capitol Consulting, LLC.

This new approach for MMC will establish proactive management and the OPTIX Reporting System in all departments providing the hospital’s healthcare leadership with a new vision towards lasting cost containment and quality management.

About Meadville Medical Center

Meadville Medical Center is a community hospital located in Meadville, Pennsylvania covering 75,000 individuals in Crawford County and an additional 150,000 persons from northwestern Pennsylvania. It has a medical staff of more than 100 covering 37 medical/surgical specialties. Annual inpatient admissions approximate 9100, annual outpatient visits more than 139,000, and approximately 650 babies are born there each year.

Meadville Medical Center holds current accreditation by The Joint Commission and is the first and only hospital in Pennsylvania to receive DNV Accreditation, a new accreditation process for US hospitals to demonstrate that they meet the Centers for Medicare & Medicaid Services’ Conditions of Participation.
